### Residents Rights:

Each resident or his/her legal representative has the right of access to and confidential handling of resident's clinical or personal records. At any time a resident or legal representative may request a copy of clinical/medical records. The facility will produce a copy of those records within 24 hours excluding weekends and holiday.

If you have questions about this feel free to speak with Tracy Hanson RN BSN Administrator, or Cindy Behrens BSW Social Worker.

Please excuse our construction project this summer! We are in the process of replacing our roof so the parking lot may be full at times with extra machinery or vehicles. Thank you for your patience!!!

In July we held our Fire Safety In-service.  
 Thanks to Derek Ealy, Dietary/Safety  
 Manager and the Keystone Volunteer Fire  
 Department for putting this on for us!!

Congratulation to Mary Jo Feldmann on  
 20 years of service to the Keystone  
 Nursing Care Center!!!

Thank you to all that donated and  
 participated in our Cancer Bike/Car  
 ride on Saturday June 25th. We had  
 some warm weather for the day &  
 raised over \$1000 for the American  
 Cancer Society. Together with our other  
 internal fundraisers for the Relay for  
 Life we raised around \$3000.00!!
