Residents Rights

Respect & Dignity:

The resident has a right to be treated with respect and dignity.

This includes the right to refuse to transfer to another room in the facility IF the purpose of the transfer is 1) to relocate a resident of a SNF from the distinct part of the institution that is a SNF to a part of the institution that is not a SNF, or 2) to relocate a resident of a NF from the distinct part of the institution that is a NF to a distinct part of the institution that is a SNF or 3) solely for the convenience of the staff.

What this means is that there are times when we will have to transfer residents from one room to another for specific reasons. For example, it could be due to a safety issue or health issue or it may be due to a payor change. All Medicaid resident will be transferred into shared rooms if they are not already in them, once a spot opens up. Also once resident comes off of the skilled level of care but needs to continue to stay as a resident in the facility, the skilled resident will be transferred to a non skilled room once one opens up.

if you have any questions regarding this resident's right, please contact Tracy Hanson, Administrator at the Care Center. 319-442-3234.

Annual Cancer Fundraiser!

Join us again this year for our American Cancer Society Fundraiser! We are doing a Bike Ride/Car Cruise Saturday June 9th. Sign up at the Care Center parking lot will start at 9:30am and we plan to leave at 10am. Cost is \$20 / bike or car. We will also be offering a free will donation lunch at the Keystone Turner Hall starting at 11am and will continue to serve until the ride concludes. The ride ends at the Turner Hall.

We are also working on a donation raffle: tickets will be \$1 for one ticket or 15 for \$10. Again all proceeds will go to the American Cancer Society. If you know anyone that will be interested in donating anything towards the raffle, please contact Cindy at the Care Center. 319-442-3234.

TAKING RESIDENTS OUT OF THE BUILDING:

Now that the weather is getting warmer, please keep in mind when taking your loved ones out that you notify the charge nurse that you are leaving. Also sign out on the sheet by the nurses station. This enables us to get any medications or treatments ready as needed. We also ask that you sign your loved ones back in as soon as you arrive back at the care center. If you have any questions please contact Lindsay Niebes, DON at 319-442-3234.
