Resident's Rights:

Each Resident has the right and is encouraged and assisted to exercise the resident's rights as a resident and citizen and may voice grievances and recommend changes in policies, services, treatment, or care to facility staff and/or to outside representatives of the resident's choice, free from restraint, interference, coercion, discrimination, or reprisal from the facility.

To help enforce this right, the Care Center holds a monthly Resident Council meeting between the residents and the management team. This is always the first Friday of each month at 10:30am. At this time we ask for feedback from the residents on the following areas: Administrative, Nursing, Housekeeping and Laundry, Maintenance, Dietary, Activities and Social Work. We encourage all residents to attend and open this up to any family members that are interested as well. We also have a Resident Advocacy Board which is a group of community volunteers that come and meet with each resident monthly one-on-one so that residents who might not want to speak up in front of a group can still let us know of any concerns that they may have through these volunteers. There is also a Long-Term Care Ombudsman for the state of Iowa that can answer questions or assist in resolving concerns raised by or on behalf of people living in nursing homes, assisted living facilities, residential care facilities and elder group homes. This office is located in Des Moines and can be reach at 866-236-1430 (toll free).

If you have any questions regarding this resident's right, please contact Tracy Hanson, Administrator or Cindy Behrens, Social Worker at the Care Center. 319-442-3234.
